## **ROCKWELL HALL AUDITORIUM THEATRICAL RENOVATIONS**

State University of New York College at Buffalo  
Buffalo, New York

Hamilton Houston Lownie Architects, LLC, teamed with R.P. Morrow Associates and Theatre Consultants Collaborative, designed improvements and upgrades to this university performance hall.

Scope items included: stage rigging, lighting, power and flooring upgrades, proscenium fire curtain, house lighting and power upgrades, sound system and assistive listening upgrades, emergency lighting upgrades, and television system wiring. Glow-in-the-dark step nosings were added to the aisles to improve safety.
