DOWNTOWN BUFFALO STRATEGIC PLAN
Buffalo, New York

“All day, all year life” for Downtown.

The goal of the plan was to create a series of strategic actions which helped to achieve a new “vision” for Downtown Buffalo.

The strategic plan analyzed existing conditions, building on the current strengths of the downtown area, as well as potential development markets. We reviewed site conditions and opportunities for housing, mixed-use, convention center and entertainment and office potential.

Project Size: Downtown Core

Project Cost: NA

Complete: 2001

Clients: City of Buffalo
Office of Strategic
Planning
