## ELMWOOD FRANKLIN SCHOOL LIBRARY/MEDIA CENTER

Buffalo, New York

HHL designed the new Center to serve students in grades Prep 1 through 8. The school's existing network infrastructure throughout the building will act as a base for the addition of a new Library/Media Center.

This new facility will allow additional access to technology for instruction and student research, as well a children's center and reading room.

*Project Size:*  
7,000 sf (new & renovation)  
*Project Cost:*  
\$800,000  
*Complete:*  
2000  
*Client:*
