HHL designed this multi-function venue which expands the design vocabulary established by Eliel and Eero Saarinen with Charles Eames in 1940. Located in the lower level of Kleinhans Music Hall, this flexible space provides a 125 seat capacity for fine dining, private parties, seminars or meetings, and is supported by a full-service commercial kitchen, also designed by HHL.

Project Size: 7,500 sf
Project Cost: \$390,000
Completion: 2000
Client: City of Buffalo
Reference: Mr. Paul Gareis
Telephone: (716) 851-5851

On performance nights, the lounge and restaurant are a lively gathering place-to-be-seen for concert patrons.
